

Bergen Volunteer Medical Initiative

To: Donors of Securities to BVMVI

From: Valerie Mauriello, Treasurer

Thank you so much for thinking of BVMVI as you make your gift of securities. We – and our patients – are most grateful for your generosity.

Please request that your financial institution DTC (electronically transfer) the securities you wish to donate to BVMVI to our brokerage account as follows:

TD Ameritrade
DTC #0188 – **please include your name and address in the DTC textbox**
For the benefit of Bergen Volunteer Medical Initiative (BVMVI)
Account #756677392

Once you order the transfer, we ask that either you or your broker **immediately advise us** of the particulars of your gift: date, name of securities, number of shares or units donated, estimated value of gift, and the contact information for your financial institution.

Please contact Amanda Missey to advise us of this transfer:
