JOIN US

Join us for Bergen Volunteer Medical Initiative's Annual Golf Classic, supporting free, high-quality healthcare for low-income, uninsured adults in Bergen County, New Jersey.

This exclusive outing, hosted at one of the Northeast's most iconic golf courses, helps us meet the healthcare needs of more than 53,000 hardworking individuals who are living without health insurance in Bergen County. These individuals face the daily struggle of juggling minimum wage jobs, managing chronic health issues, and navigating life without consistent access to care. For many, the emergency room becomes their only option—the costliest and least effective form of primary care.

At BVMI, we're working to change that. Through the dedication of passionate volunteers, we remove financial and social barriers to healthcare, providing free, high-quality care to those who need it most. We believe healthcare is a right, not a privilege, and no one should ever have to choose between their health and basic needs like food or shelter.

Our vision is simple: a world where everyone, regardless of income, has access to the medical care they need. A world where preventive services are standard, not a luxury. With your support, we can make this future a reality. Together, we have the power to bring lasting change and create a healthier, more equitable community for all.

EVENT INFORMATION

Arcola Country Club

As an attendee, you and your team will have an opportunity to play on one of the most iconic golf courses in the Northeast, ranked 19th in Golf Digest's "The Best Golf Courses in NJ!" Arcola Country Club is an 18-hole, championship-level private golf course and clubhouse in Paramus, New Jersey, renowned for having F1-fast greens and boasting one of the strongest collections of member players in the region, with roughly 100 carrying single-digit handicaps, a third of those being scratch or better. The club is also where PGA Tour professionals like Morgan Hoffmann learned the game.

This year's Golf Classic will be the first outing on Arcola's newly-renovated course, redesigned by acclaimed architect Andy Staples. With fresh links, new greens, and a refined layout, the renovation delivers improved flow and playability, creating an exceptional experience for all golfers.

WOMEN FORE WOMEN

Join us for the Women Fore Women Leadership Clinic, a unique opportunity for corporate professionals and golf enthusiasts to elevate their game in business and on the course! This inspiring four-hour event kicks off with a high-energy talk by Debbie O'Connell, an award-winning LPGA professional, motivational speaker, and Results Coach. Then, hit the green for an exclusive

two-hour lesson with Debbie and her expert team of golf pros. After your skills lesson, relax and refresh in the club's locker rooms before mingling with fellow guests at the cocktail reception and awards dinner.

Women Fore Women supports Bergen Volunteer Medical Initiative, ensuring high quality comprehensive healthcare for hardworking women living without medical insurance.

As part of one of Bergen County's premier corporate outings, this event offers a rare opportunity for corporate partners to engage with both novice and seasoned golfers while supporting a vital cause.

Don't miss out—join us in making this impactful event an annual tradition for years to come!
